

We Want Your Best Shot

This photo was snapped just before a Strauss Lecture, but can you recall which year it was taken?

We are on a quest for historical photos to document our department history. Do you have a favorite shot from your training years that we could borrow?

Our next feature is Resident Ski Day. At least one submission will appear in the winter newsletter. For production purposes, the deadline is Friday, January 16, 2009. (No incriminating photos will be published.)

Please include as many details as possible (year, event, folks that appear in photo) and send it to:

Department Photo Project

Department of Surgery
University of Washington
Box 356410
Seattle, WA 98195-6410.

Digital photos may be emailed to
emherman@u.washington.edu

Do you still need a hint to pinpoint the year this Strauss Lecture was held? Isn't that Roy Hong in his Chief Resident lab coat?
