## Residency Training Program

I have received and reviewed copies of all the following University of Washington documents. I understand that the RPA may be modified to reflect current stipends and benefits information, policies or other regulatory requirements.

1. 2017-18 Residency Position Agreement (RPA)
2. Resident Eligibility and Selection Policy
3. University of Washington Housestaff Association (UWHA) Contract
4. Stipend Schedule for UWHA members
5. Summary of Benefits for Residents

Furthermore, I have been notified that these documents are also available on the University of Washington Graduate Medical Education Website:
