

# 2026 UW Healthcare Simulation Sciences SIMposium and Graduation

**June 5, 2026**

**UW South Lake Union Campus  
Brotman Auditorium**

## **Agenda**

- 8:00 AM **Registration and Breakfast**  
C Lobby
- 8:45 AM **State of the Division Address**  
Brotman  
**Robert Sweet, MD, FACS, MAMSE**, Professor of Urology, Surgery, and Bioengineering, Chief, Division of Healthcare Simulation Sciences, Executive Director of WISH and CREST, University of Washington
- 9:00 AM **Healthcare Simulation Education at UW: Growth, Graduates, and the Road Ahead**  
Brotman  
**Vic Roach, PhD**, Director, HCSS Academic Programs, Director of Evaluation and Assessment, WISH, Research Assistant Professor, Division of Healthcare Simulation Science, Department of Surgery, University of Washington
- 9:15 AM **Research Session 1:**  
Brotman  
**The Feedback Dilemma: A Novel Program for Coaching Feedback in Medical Education**  
**Vincent Raikhel, MD**, Assistant Professor, Division of General Internal Medicine, School of Medicine, University of Washington  
**Jeff Redinger, MD**, Assistant Professor, Division of General Internal Medicine, School of Medicine, University of Washington
- Amyotrophic Lateral Sclerosis: The Use of Simulation for Patient Care**  
**Paula Carvalho, MD**, Division of Pulmonary/CCM/Sleep Medicine, University of Washington and Boise VA Medical Center  
**Bryan Cruthirds RN, CHSE**, Boise VA Medical Center  
**Joy Parvi, RRT**, Boise VA Medical Center
- Interprofessional Leader Rounding Simulation Training**  
**Carrie Kronberg, MN, RN, CCRN, NPD-BC**, PeaceHealth St. Joseph Medical Center
- C123 A&B **Workshop: \*\***  
**GlobalSurgBox - A Portable Surgical Simulator for Any Learner**  
**Yihan Lin, MD, MPH**, Associate Professor of Cardiothoracic Surgery, University of Washington  
**Max Adcox, MD**, Cardiothoracic Surgery Resident, University of Washington
- 10:15 AM **Break**

10:30 AM

**Research Session 2:**

Brotman

**From Idea to Working Tool: What Vibe Coding Makes Possible for Simulation Educators**

**Joe Wilson**, Lead UX Designer, UW School of Medicine, Graduate Medical Education  
**Hadar Duman, MHI**, Senior Director of Accreditation and Digital Innovation, UW School of Medicine, Graduate Medical Education

**A Centralized Anesthesia Alarm System Based on Aviation Alarm Design Principles**

**Emily Bautel, BS, MS**, Gavia Labs, University of Washington

**Simulation Techniques in Contemporary Craniomaxillofacial Surgery**

**Solomon Lee, MD, MS**, Fellow, Craniomaxillofacial Surgery, Division of Plastic and Reconstructive Surgery, University of Washington

C123 A&B

**Workshop: \*\***

**GlobalSurgBox - A Portable Surgical Simulator for Any Learner**

**Yihan Lin, MD, MPH**, Associate Professor of Cardiothoracic Surgery, University of Washington

**Max Adocx, MD**, Cardiothoracic Surgery Resident, University of Washington

11:30 AM

**Group Photo**

Brotman

11:45 AM

**Lunch**

C Lobby

12:45 PM

**WISH Innovations in Simulation Award (WISA) Presentations:**

Brotman

**Improving Informed Consent for Common General Surgery Procedures**

**Christina Grabar, MD**, General Surgery Resident, PGY-3, UW Medicine

**Advancing ECMO Training Capabilities Within UW**

**Jenny Garnett, CST, MFA**, Simulation Instruction Designer, WISH

**A Virtual Curriculum for Brain Death / Death by Neurologic Criteria**

**Sean Marinelli, MD**, Department of Neurology, Division of Neurocritical Care, University of Washington

**James Town, MD**, Department of Medicine, Division of Pulmonary Critical Care and Sleep Medicine, University of Washington

**Sarah Wahlster, MD**, Department of Neurology, Division of Neurocritical Care, University of Washington

1:45 PM

**Masters in Healthcare Simulation Science Education Graduate Presentations:**

Brotman

**I Have Some Bad News**

**Devin Gillaspie, MD, FACS**, Assistant Professor of Surgery, Division of Trauma & Critical Care Surgery, University of Tennessee Medical Center

**Contamination, Where Is It?**

**Monica Hoefsmit, MSc, BSN, RN, CCRN**

2:45 PM

**Break**

3:00 PM

Brotman

**Keynote Address**

**The Future of Leadership is Practiced, Not Learned: How AI Avatars are Transforming Leader & Educator Development**

**Aimee Gardner, PhD**, Associate Dean for Faculty Development, Director, Academy of Medical Educators, Department of Surgery, School of Medicine, University of Colorado

4:00 PM

Brotman

**Graduation Ceremony**

Graduates:

**Devin Gillaspie, MD, FACS**

**Monica Hoefsmit, MSc, BSN, RN, CCRN**

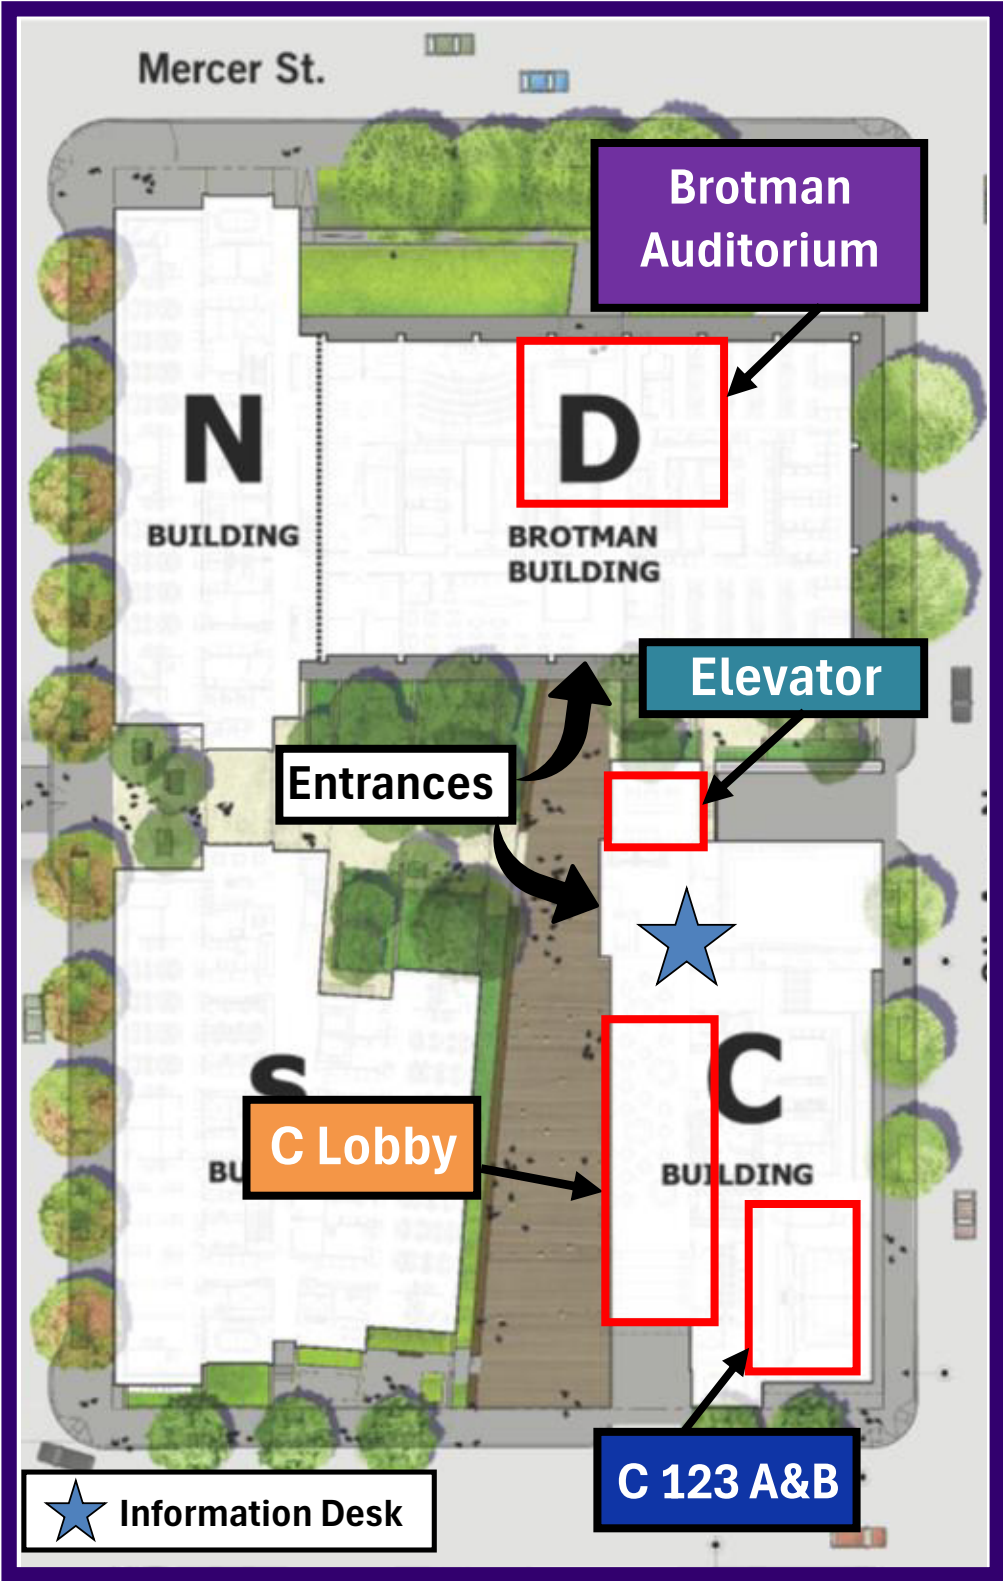

4:15 PM

C123 A&B

**Graduation Celebration!\*\***
